Jim H,

There will not be a “briefing paper” handed out or used at the meeting tomorrow with the NGOs. Avi views this as a “listening meeting” and will be letting them do most of the talking. Perhaps they’ll bring some materials with them. I don’t know.

Attached is the internal EPA briefing paper we gave Avi and used at today’s pre-brief with him.

I’ll also send you by separate email the incoming letter from the NGOs outlining their concerns.

Jim
